Notice to parents

Your school board has purchased, at no cost to you, an Accident Medical Insurance Plan to help cover medical expenses resulting from interscholastic sport injuries.

All players, coaches and managers of every interscholastic sport (including cheerleading) are covered throughout the entire school year. The program covers accidental bodily injuries occurring to a covered person while participating in or traveling, while under the supervision of proper school authority, to or from any regularly scheduled game or practice of an interscholastic sport.

The Plan your school has purchased may have a \$100 Deductible. Please check with your school or the Program Administrator listed on the front of this brochure.

Benefits

Accidental Death, Dismemberment or Loss of Sight Benefit—When injuries result in any of the losses below within 365 days of a covered accident, the Program will pay:

For Loss of:	Life	\$5,000
	Both Feet or Both Hands or the Entire Sight of Both Eyes	20,000
	One Hand and One Foot, One Hand and Entire Sight of One Eye, or One Foot and Entire Sight of One Eye	20,000
	Thumb and Index Finger of One Hand	5,000
	One Hand or One Foot or the Entire Sight of One Eye	10,000

If the Insured Person suffers more than one of the above losses as a result of any one accident, only the largest benefit will be paid in addition to any other benefits for medical expense.

Excess Accidental Medical Expense Benefit—When injuries, commencing within **90 days** of a covered accident require medical or surgical treatment or (with respect to injury or loss of sound and natural teeth) dental treatment, the Program will pay the amount by which the expenses incurred for the items listed below, within **104 weeks** of the accident, exceed the amount(s) payable or service available under automobile medical insurance or any other medical insurance policy or plan. The policy pays the usual and customary charge for the service, supply or treatment given. Benefits shown are per covered accident.

NOTE: This Plan applies only to that part of the covered expense which is not covered by other applicable insurance or medical service plan.

The Program covers:

- Medical Treatment** by a physician or practitioner,* as herein defined, for an injury not requiring surgery or other medical treatment as defined below, not to exceed the usual and customary charges for such visits in the area rendered, up to a maximum of 10 visits per accident.
- Consultants, Specialists, and Second Opinion Fees** when requested by the attending physician — pays the usual and customary charge for such services.
- Surgery** — pays the usual and customary charge in the area for the surgery performed. The surgical charge is deemed to include pre- and post-operative care. Payment for anesthetists shall not exceed 33¹/₃%* (*varies by plan selected) of the allowance for surgery. Under surgery, the maximum payment for multiple procedures performed within the same operative field shall be limited to 150% of the amount payable for the primary procedure.
- Hospital ** Care and Service** — When the Insured is confined as a resident patient for at least 24 hours — pays the usual and customary charge for semi-private room, and ancillary expenses including radiology incurred in the treatment while hospital confined.
- Other Hospital Expense** — If the Insured is not confined as a resident patient for at least 24 hours, the Company will pay the usual and customary charge in the area for Emergency Room and Outpatient care.
- Intensive Care** when the Insured is confined to a hospital Intensive Care Unit as required by the attending physician — pays the usual and customary charge during such confinement.
- Radiology** when not hospital confined — pays the usual and customary charge in the area. Radiology includes, but is not limited to X-Rays, Magnetic Resonance Imaging, and Computerized Axial Tomography.
- Nurse Service** upon recommendation of the attending physician — pays the usual and customary charge for services provided by a registered graduate private duty nurse (R.N.), not related to the Insured, during a period of hospital confinement.
- Emergency Ambulance Service** — pays the usual and customary charge for emergency ambulance service from the place of accident to a hospital.
- Dental Treatment** — usual and customary charge for accidental injury to one or more sound and natural teeth.

11. **Drugs and Medications** administered in a doctor's office or by prescription (including hypodermic needles or syringes) — not to exceed the usual and customary charge.
12. **Eyeglasses** — pays the usual and customary charge for replacement of broken eyeglasses, broken frames or broken lenses resulting from a covered accident. This benefit is payable only in conjunction with an injury requiring medical or surgical treatment. Routine refractions or routine eye examinations are not covered under the Policy.
13. **Orthopedic Appliances** — pays the usual and customary charge when ordered by an attending physician.
14. **Other Medical Treatment** by a licensed practitioner, including adjustment, manipulation or massage in any form, diathermy, bone growth stimulation, ultrasonic, microtherm or heat treatment in any form, not to exceed in the aggregate \$2,500 for any one covered accident.
15. Charges by a **Home Health Agency** for home health care services as mandated by Section 38A-493 of the Connecticut General Statutes.
16. **Medical Expenses** incurred by accidental ingestion or consumption of a controlled drug as mandated by Section 38a-492 of the Connecticut General Statutes.
17. **Medical or Hospital Dental Procedures Expense** general anesthesia, nursing and related hospital services provided in conjunction with inpatient, outpatient or one-day dental services if the following conditions are met: a) Services are deemed medically necessary by the treating dentist or oral surgeon; and the patient's primary care physician. b) The patient is either (a) a child who is determined by a licensed dentist, in conjunction with a licensed physician who specializes in primary care, to have a dental condition of significant dental complexity that it requires certain dental procedures to be performed in a hospital; or (b) a person who has a developmental disability, as determined by a licensed physician who specializes in primary care, that places the person at serious risk. The expense of such anesthesia, nursing and related hospital services will be considered a medical expense and will not be subject to any limits on dental benefits.

Benefits under the Program as the result of any one accident will not exceed **\$1,000,000** in the aggregate for all covered expenses.

* "Physician" or "Practitioner" means a legally licensed practitioner of the healing arts, including a doctor of medicine, osteopathy, dentistry, chiropractic or podiatry, other than an Insured Person or member of his immediate family, who is practicing within the scope of his license to treat the condition causing loss.

** "Hospital" means a lawfully-operated institution for the care and treatment of injured persons with organized facilities for diagnosis and treatment, medical supervision, surgery and 24-hour nursing service.

Exclusions
