

KNIT AND CHAT SUMMER CAMP

Give kids and tweens something to do besides video games on rainy days! This is a week-long knitting circle designed to teach the creative art of knitting in a fun, “non-frustrating”, comprehensive way! No prior knitting experience needed. Learn to cast on, knit, purl and more. We will create a fashionable item as our main project, and other projects will be completed as time allows. There will be games and other fun crafts as well. All materials and a daily snack/drink provided.
